

This 30th year marks a special milestone for the organization and honors the incredible work that has been and continues to be done in our community to champion hope and healing for abused and neglected children all over Tulsa. You only turn 30 once, as the saying goes, so we have planned an unbelievable party, inspired by the heroic and will feature an auction, dinner, dancing and surprise guests.

Attire is cocktail but we encourage guests to add some superhero flair with capes, masks, and other accessories you'd find on a superhero.

This year's theme is inspired by everyday superheroes – both past and present – who have dedicated their lives and committed their service to stopping the hurt and beginning the healing. Community heroes from Tulsa's business, government, education, arts, nonprofit and philanthropic communities are expected to attend this year's weekend of events.

Your sponsorship goes to support the mission of the Child Abuse Network, Inc. and provides intervention services for thousands of abused and neglected children.

YOU CAN be a Superhero for Tulsa's most vulnerable children.
