INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Child Abuse Network, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Child Abuse Network, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2013 and 2012, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards," issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management; as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Child Abuse Network, Inc. at June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters – Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental schedules of state awards and revenues and expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by “Government Auditing Standards”

In accordance with “Government Auditing Standards,” we have also issued our report dated December 31, 2013, on our consideration of Child Abuse Network, Inc.’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with “Government Auditing Standards” in considering Child Abuse Network, Inc.’s internal control over financial reporting and compliance.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements

Years Ended June 30, 2013 and 2012

(1) Summary of Significant Accounting Policies

(a) Organization

Child Abuse Network, Inc. (CAN) is a not-for-profit corporation incorporated June 1988 in the State of Oklahoma. CAN conducts its principal activities in the Tulsa metro area, to provide collaborative intervention services to child abuse victims, so that they are encouraged to embrace a future driven by hope.

(b) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of CAN and changes therein are classified and reported as follows:

Unrestricted Net Assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of CAN and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by CAN. Generally, the donors of these assets permit CAN to use all or part of the income earned on any related investments for general or specific purposes. At June 30, 2013 and 2012, CAN did not have any permanently restricted net assets.

Donor restricted assets are reported as increases in unrestricted net assets if the restrictions expire in the same fiscal year recognized.

(c) Cash and Cash Equivalents

CAN considers all cash on hand, cash in banks and liquid investments with original maturities of three months or less to be cash and cash equivalents. At June 30, 2013 and 2012, CAN did not have any cash equivalents.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(1) Summary of Significant Accounting Policies, Continued

(d) Pledges Receivable

CAN recognizes pledges at their estimated fair value on the date pledges are received. The fair value is determined by calculating the present value of the estimated future cash flows using the discount rate at the date of the pledge. Allowances for uncollectible pledge amounts are recorded when management identifies amounts that may not be collected.

(e) Property and Equipment

Property and equipment are recorded at cost if purchased or at fair market value if donated and are depreciated using the straight-line method over the estimated useful lives of the respective assets, which range from 3 to 39 years. Generally, CAN capitalizes all asset purchases over \$1,000 with an estimated useful life greater than one year.

(f) Income Taxes

CAN is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. CAN is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code.

At June 30, 2013, CAN had no accrued interest or penalties relating to any tax contingencies. CAN has no federal or state examinations in progress; however, the 2009 through current years are subject to such examinations.

(g) Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(1) Summary of Significant Accounting Policies, Continued

(h) Functional Expenses

Expenses are classified by a specific program or support service where practical. Expenses not identified with specific programs or support services are allocated based primarily upon management's estimates of staffing levels and time spent in the services and facility usage.

(i) Fair Value Measurements

CAN uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with the "Fair Value Measurements and Disclosures" topic of Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, the fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. However, in many instances, there are no quoted market prices for CAN's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

The fair value guidance provides a consistent definition of fair value, which focuses on exit price in an orderly transaction (that is, not a forced liquidation or distressed sale) between market participants at the measurement date under current market conditions. If there has been a significant decrease in the volume and level of activity for the asset or liability, a change in valuation technique or the use of multiple valuation techniques may be appropriate. In such instances, determining the price at which willing market participants would transact at the measurement date under current market conditions depends on the facts and circumstances and requires the use of significant judgment. The fair value, a reasonable point within the range, is most representative of fair value under current market conditions.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(1) Summary of Significant Accounting Policies, Continued

(i) Fair Value Measurements, Continued

In accordance with this guidance, CAN groups its financial assets and financial liabilities generally measured at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

Level 1 – Valuation is based on quoted prices in active markets for identical assets or liabilities that CAN has the ability to access at the measurement date. Level 1 assets and liabilities generally include debt and equity securities that are traded in an active exchange market. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuation is based on inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. The valuation may be based on quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial statements whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determination of fair value requires significant management judgment or estimation.

A financial instruments categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

(j) Evaluation of Subsequent Events

In preparing these financial statements, CAN has reviewed and evaluated all events that have occurred after June 30, 2013 through December 31, 2013, the date of the audit report, for potential recognition or disclosure in the financial statements.

(k) Reclassifications

Certain 2012 amounts have been reclassified to conform to current classifications.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(2) Pledges and Grants Receivable

At June 30, 2013, CAN had temporarily restricted pledges receivable related to its expansion campaign of approximately \$46,200 from board members, which are expected to be collected within the next three years. At June 30, 2012, CAN had temporarily restricted pledges receivable of approximately \$12,800 from board members, which, except for uncollectible amounts, were collected during fiscal year 2013.

In January 2013 and 2012, CAN received an allocation from the Tulsa Area United Way totaling \$204,600 for each calendar year. These amounts have been recorded as temporarily restricted contributions and released from restriction as monthly payments are received. At June 30, 2013 and 2012, approximately \$102,300 of each allocation was outstanding, but fully collected by December 2013 and 2012, respectively.

Also in fiscal year 2012, CAN received a \$70,000 contribution from a foundation of which \$30,000 had not yet been received as of June 30, 2012. This amount was collected in fiscal year 2013.

(3) Assets Held by Others

Assets held by others represent funds held in an agency fund agreement with the Tulsa Community Foundation (the Foundation) for the benefit of CAN. The Board of Trustees of the Foundation has the power to modify any restriction or condition on distributions of these funds for any specific charitable purpose or to specific organizations if, in the sole judgment of the Board of Trustees, the restriction or condition becomes, in effect, unnecessary, incapable of fulfillment or inconsistent with the charitable needs served by the Foundation.

It is the general policy of the Foundation that a substantial part of its agency funds shall remain as a permanent endowment of the Foundation. Consistent with that policy, the money or other property shall be held and administered, and distribution shall be made for the benefit of CAN, in accordance with such procedures for the administration and operation of agency funds of the Foundation and such endowment spending policies of the Foundation as may be in effect from time to time.

CAN's interest in the Foundation is recorded at its proportionate share of the fair value of the investments of the Foundation. The amount CAN will ultimately realize could differ materially from the recorded amount, as significant fluctuations in market values could occur from year to year.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(3) Assets Held by Others, Continued

At June 30, 2013 and 2012, the assets held and invested with the Foundation were \$52,211 and \$48,956, respectively and have been adjusted for unrealized gains and losses. For the years ended June 30, 2013 and 2012, CAN recognized \$3,255 and \$1,165, respectively, in unrealized gains pertaining to these assets.

The Foundation maintains additional non-reciprocal amounts (\$26,907 and \$25,242 at June 30, 2013 and 2012, respectively) on behalf of CAN that are not recorded in CAN's financial statements, in accordance with the "Not-for-Profit Entities – Revenue Recognition" topic of FASB ASC 958-605. The receipt and recognition of these amounts in the financial statements is conditional on their distribution by the Foundation to CAN.

(4) Long-term Debt

In September 2010, CAN purchased the facility it occupies, as well as adjoining properties for \$1,230,000, with funding provided from a \$700,000 promissory note, a \$400,000 Site Acquisition grant from the City of Tulsa and cash. The promissory note carried interest at the U.S. Prime Rate published in the Wall Street Journal and required monthly interest payments until maturity. The note was collateralized by the land and building. During fiscal year 2012, CAN paid this note obligation in full.

(5) Net Assets

Temporarily restricted net assets consists of restricted cash and pledges receivable and are available for the following purposes as of June 30, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Operations – time restricted	\$ 102,300	\$ 102,300
Expansion Campaign	46,214	12,806
CAMA funds:		
Personnel	191,259	194,118
Professional services	87,385	95,357
Occupancy	24,946	37,674
Designated projects	32,043	98,866
	<u>\$ 484,147</u>	<u>\$ 541,121</u>

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(5) Net Assets, Continued

For the years ended June 30, 2013 and 2012, temporarily restricted net assets were released from restriction through expenditure of funds for the purposes for which they were received.

Voluntary board restrictions on unrestricted net assets include a working capital reserve of \$600,000 and \$250,000 as of June 30, 2013 and 2012, respectively.

At the regular Board of Director's meeting held in September 2012, CAN's Board approved the creation of a Capital Campaign Committee to raise funds for future capital improvements.

(6) Commitments and Contingencies

CAN annually receives funding from various federal and state agencies, as well as private foundations. The contract and grant programs may be subject to audit by the awarding agency, the purpose of which is to determine compliance with conditions precedent to the awarding of funds. Liabilities for reimbursement which may arise as the result of audits of contract funds in the opinion of management, if any, would not be material. Also, grants and contracts with the various awarding agencies are subject to the availability of funds. Grants and contracts may terminate if such funds become unavailable, or if the total amount of funds allocated should become depleted during any budget period. In addition, contracts may terminate if state or federal laws are amended or judicially interpreted such that performance by either party is unreasonable and the parties are unable to agree on amendments to the contracts.

(7) Employee Benefit Plan

CAN offers a 401(k) plan for all full-time employees that meet eligibility requirements. However, CAN does not make matching contributions to the plan.

(8) Significant Concentration

Approximately 34 percent of CAN's 2013 revenues was received from the State of Oklahoma as a distribution pursuant to the Child Abuse Multidisciplinary Account (CAMA).

At June 30, 2013, CAN had cash balances in a financial institution which exceeded the insurance limits of the Federal Deposit Insurance Corporation.

CHILD ABUSE NETWORK, INC.

Notes to Financial Statements, Continued

Years Ended June 30, 2013 and 2012

(9) Fair Value of Assets and Liabilities

Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors of
Child Abuse Network, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in “Government Auditing Standards” issued by the Comptroller General of the United States, the financial statements of Child Abuse Network, Inc. (a nonprofit organization), which comprise the statement of financial position of as of June 30, 2013, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 31, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Child Abuse Network, Inc.’s (the Organization) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under "Government Auditing Standards."

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with "Government Auditing Standards" in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
